

# Friends of West Chester Parks & Recreation Fund

The Friends of West Chester Parks and Recreation Fund has been established through the Chester County Community Foundation as a way to help keep West Chester green and strives to continue the West Chester tradition of neighbors contributing to the quality of the community for the welfare of all.

Our mission is the preservation, development, and maintenance of all Borough-owned parklands and facilities.

We will also assist the Borough with the advancement of recreational programs and activities and the expansion of the shade tree program.

Especially during these challenging economic times it becomes even more vital to provide and maintain safe and full access to open spaces. Fund raising efforts and the establishment of donor programs will enable us to provide safe and welcoming open spaces that can be accessed by all citizens regardless of physical handicaps.

Please join us in keeping West Chester Green, for now and into the future.
