***March, 2011***

***Thank you*** for becoming a member of FWCP&R and working with your neighbors to keep West Chester green. It is time to renew your membership and continue your support that will add to the quality of life in the greater West Chester area by:

- Enhancing our Neighborhoods and Parks
- Promoting Recreational Activities
- Preserving our Heritage
- Providing a Green Environment
- Draw folks to West Chester to shop and dine

***Membership provides*** an excellent opportunity to make a difference in your community and to work with your neighbors in preserving and expanding the West Chester experience. A community with properly planned and safe recreational spaces and activities fosters a vibrant quality of life. It strengthens the overall commitment to the common good by encouraging neighborhood and business community involvement. Open spaces and recreational facilities often present the only outlets many of our neighbors have for recreational activities and a diversion from the day-to-day difficulties.

***Over the past year we have:***

- Pursued grant opportunities with the Chester County Community Foundation family of funds.
- Partnered with West Chester Recreation Department with a Casino Night benefit to raise funds for the "Send a Kid to Camp" program.
- Raised funds for Marshall Square park projects.

*Volunteering to work on project* is a great way to get involved with the Friends of West Chester Parks and Recreation and contribute to the quality of life in the community. Helping to preserve open spaces and recreation facilities is critical during these challenging economic times. Please contact Steve Gallo at ***Sgallo@rcfcd.com*** to see what opportunities are available.

*Mark your calendars* for at the annual membership meeting on April 28 at 6PM, room 240 in West Chester borough hall we look forward to seeing you there.
