TEE OFF AND CELEBRATE "ONE FUN DAY"

**June 14, 2010
The Dr. Gerald E. Clark
Memorial Scholarship
Tournament
2010**

Welcome to all participants in the Jerry Clark Memorial Scholarship Tournament

Jerry Clark was a man who cherished all his life had to offer: his family, friends, love of golf, and passion for learning.

Following his passing in 2006, the Clark family gave birth to a memorial scholarship providing an opportunity for a deserving student at Unionville High School to further his or her education. The selected student is nominated by teachers and guidance counselors at UHS who recognize this student's passion for learning and often a financial need. Essays are submitted and a committee made up of some of Jerry's friends and family members choose one yearly recipient.

This tournament (held annually until 2012) aims to insure that this scholarship will continue indefinitely with its investment secured by the Community Foundation.

Thank you for your support!

The friends and family of Jerry wish to thank you for your support of this memorial scholarship. Through your generosity, the hope of higher education can come to a student with need.

Let's enjoy a fun day of golf, food,
and life as we remember and
celebrate a life well-lived.
