ESSAY QUESTION:

Reflect on the following quote, and share your personal experiences in community service and/or volunteering:

“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.”
- Margaret Mead

With all that is going on in the world today one of the best investments we can make is in our community and our children. There was a time when people sat on their front porch, talked

with neighbors and were regular participants in community activities.

Through the FRONT PORCH TRUST, we hope to encourage young people to become more invested and involved in their local and global community, and to recognize that they truly can make a difference.

The purpose of the FRONT PORCH TRUST Scholarship Fund was created by the Paoli 250 Anniversary Committee and the Paoli Business and Professional Association to recognize and reward students who are making a difference in the community through volunteer efforts, and/or school and civic involvement.
