

## HONOR MARJORIE HERVEY'S LEGACY with a Charitable Contribution to the Laura Lee Hervey Fund for Traumatic Brain Injury

Help honor Marjorie Hervey's Legacy by making a memorial contribution to The Laura Lee Hervey Fund for Traumatic Brain Injury. This charitable fund was established in 2007 to make grants to charitable causes and progressive medical research related to traumatic brain injury (TBI). Grants help to raise awareness of TBI, help give those affected with TBI hope of a recovery, and develop progressive medical treatment for TBI in the future.

TBI is a disease that adds a new member every 23 seconds. It knows no boundaries, effecting men, women and children alike. Concussions, stroke, aneurisms, head injury... they are all diagnoses of the same thing: brain injury.

Donations are entrusted with the Chester County Community Foundation and invested so that the Fund and its charitable mission will continue for perpetuity.
