

DREW PORTER MEMORIAL FOUNDATION

Our Foundation's purpose will be to help other kidney dialysis patients by making people aware of the great need and value of kidney donation.

Our son also took great pride in being an Executive Chef. We would also like to make an annual scholarship award to send a youngster to the Dilworthtown Inn's cooking class each summer.

YES, I would like to honor Drew Porter's legacy with a contribution to the Drew Porter Memorial Foundation.

All contributions are greatly appreciated (and tax deductible)!

DREW PORTER MEMORIAL FOUNDATION

Dear Friends,

A year and a half ago, our dear son, Drew, age 44, passed away from kidney failure. He had been in kidney dialysis for seven years. A week after he passed, a kidney became available for him... Too many people die while awaiting a kidney transplant. For us, finding people to donate kidneys is of utmost importance.

Our family aims to establish an endowed Foundation in our son's name, under the auspices of the Chester County Community Foundation in West Chester, PA.

Our Foundation's purpose will be to help other kidney dialysis patients by making people aware of the great need and value of kidney donation.

Our son also took great pride in being an Executive Chef. We would also like to make an annual scholarship award to send a youngster to the Dilworthtown Inn's cooking class each summer.

You can make a contribution directly, by filling out and returning the reverse side of this form. We are also having an artwork sale. We need both contributions and sales revenues totaling a minimum of \$10,000 to create an endowed Foundation. Tough, but we'll do it! But we need lots of help.

Both Shirley and I are second generation fine artists. We have specialized in water color, oils and acrylics. Now, we sort of blend them together in a "mixed media" arrangement. We paint but we really don't sell much. Both our son and daughter and granddaughter are artists and crafts persons as well. They, too, will participate in the show/sale. Thus, this becomes a multigenerational family heritage activity. A heritage of four generations of painters and crafters.

We will be hanging art for sale on the walls of the Paoli Hospital Cancer Center (rear, Medical Office Building) on Saturday, November 8 starting at 10:00 am. The sale will run throughout the month of November. Please come and join us, view our artwork... And bring your checkbook. Fine art and prices also to be listed on the internet.

Thank you for joining with us to honor our son's legacy and help others.

Marv & Shirley Porter
